

Identity Theft:

Steps to Reduce the Risk

Identity theft cannot be prevented. However, there are crucial steps you can take to reduce your risk of becoming a victim. Most of which cost little to no money.

In this workshop you will learn:

- Why identity theft cannot be prevented
- How to protect your Social Security account from account take-over
- How to prevent IRS tax return fraud
- How to prevent new account fraud
- Opting-out options
- Free tools you can use immediately
